Argos 'Ask Trevor' Evaluation Report

Scenario: TC-ARG-016 (tc_arg_016_fast_track_delivery)

Persona: Fulfillment & Customer Service

Objective: Customer asks how Fast Track same-day delivery works.

Execution: 2026-10-13 23:26:18 -> 2026-10-13 23:27:10

Total Turns: 3

Execution Video: execution_video.mp4

OVERALL VERDICT: FAIL

Judging & Criteria Evaluation:

[PASS] **Explains Fast Track same day delivery availability and time slots**

Reasoning: Trevor clearly explained Fast Track same-day delivery is available for delivery by 9pm for £7.95, mentioned it's available in 90% of UK postcodes, and noted limitations (some areas, larger products, subject to availability). Time slot (by 9pm) was specified.

[FAIL] **Advises checking postcode for local store stock**

Reasoning: Trevor never advised the customer to check their postcode for local store stock availability. While postcode availability for delivery was mentioned generally, there was no guidance to check stock at local stores or verify postcode eligibility proactively.

Customer Query:

What are the available time slots for Fast Track delivery today, and what happens if I need to return the appliance?

Trevor AI Response:

Fast Track Same Day Delivery is available today for order today for same day delivery by 9pm for £7.95, and your basket will always show you the speediest options. In some areas, or on larger products, we may be unable to offer this service, and delivery is subject to availability.
For appliance returns, if it's an eligible small item home delivery or Click & Collect order, you can start a Self Serve Return online, get a barcode, and take it to a store to complete the return; if it's not eligible, you'll be told as you start the process.

Customer Query:

If Click & Collect isn't available for my appliance, what are the fees and can I still get it same day?

Trevor AI Response:

If Click & Collect isn't available, I can still offer home delivery on eligible appliances, and delivery charges/options are shown before you pay at checkout.
For appliances that qualify, Fast Track Same Day Delivery is available in 90% of UK postcodes, but it's subject to availability and may not be offered in some areas, on larger products, or when we're very busy; one article shows same day delivery by 9pm for £7.95.
